

[I-Corps Overview PDF- Phase 1](#) [1]

Title:

I-Corps Overview

PDF

[2]

Description:

The NASA I-Corps program—which is open to Phase I awardees—enables small businesses, including start-up firms, to increase the odds of accelerating the process of developing their SBIR/STTR technologies into a repeatable and scalable business model. Learn more about I-Corps by reading through this presentation.

- Why I-Corps™?? (slide 2)
- NASA I-Corps Purpose? (slide 3)
- Hear about I-Corps from one of the Alumni (Slide 4) [link the video]
- Back-up: I-Corps Teams Program Details? (slide 7)
- Back-up: NASA Teamed with with NSF I-Corps Program ?(slide 8)
- Back-up: NSF I-Corps Program Metrics? (slide 8)
